ANNUAL REPORT OF THE AUDIT COMMITTEE

2017

I. INTRODUCTION

The Audit Committee of PROMOTORA DE INFORMACIONES, S.A. ("PRISA", the "Company" or, when referring to its consolidated group, "Grupo PRISA") issues this report so that the Board of Directors, if it finds it to be appropriate, may make the information corresponding to the functions and activities undertaken during 2017 by that Committee available to the shareholders.

The Audit Committee (the "**Committee**") was created in 2001 (with the name "Audit and Compliance Committee") and has been adapting its functioning and composition to the rules and codes since then published in order to achieve maximum efficiency and transparency in listed public limited companies.

The Committee is governed by article 529 quaterdecies of the Restated Text of the Capital Companies Act (*Ley de Sociedades de Capital*, the "**LSC**") and by the internal rules developing it: article 25 of the Articles of Association and the Regulations of the Board of Directors of PRISA (the "**Board Regulations**"), which were partially amended in 2017 to adapt them to the text of article 529 quaterdecies of the LSC given by Act 22/2015 of 20 July 2015 on Audit of Accounts, which entered into effect on 17 June 2016.

Specifically, Mr. Glen Moreno (the prior Chairman of the Committee), Ms. Elena Pisonero Ruiz and Mr. José Luis Leal Maldonado have ceased to be a part of this Committee, ceasing to be directors last 15 November.

The election of the members of the Committee sought to combine different personal and professional profiles, so that the Committee would have a broad perspective of Grupo PRISA and the economic environment. In the election of Mr. Saadi, in particular, great weight was placed on his broad experience in audit matters.

The composition of the Committee complies with current law and the provisions of the internal rules of the Company (article 25 of the Articles of Association and article 27 of the Board of Directors Regulations):
