OTHER RELEVANT INFORMATION

Following the announcement of “other relevant information” published by the Company on April 30, 2024 (official registry no. 28404), PRISA informs that, during the first ordinary conversion period (the “**First Ordinary Conversion Period CN 2024**”) of the public subscription offer of subordinated notes mandatorily convertible into ordinary shares of the Company (ISIN code: ES0371743024) (the “**Convertible Notes 2024**”) issued by PRISA on April 2024 (the “**Issuance of Convertible Notes Due 2029**”), the Company has received requests for conversion of 57,654 Convertible Notes 2024, whose total nominal amount amounts to EUR 21,331,980, remaining outstanding, after the conversion periods that have taken place to date, 212,616 Convertible Notes 2024, representing 78.67% of the total nominal amount of the Convertible Notes 2024 (270,270 Convertible Notes 2024 were issued and subscribed for a total nominal amount of EUR 99,999,900).

In view of the outcome of the First Ordinary Conversion Period CN 2024, PRISA informs that the Board of Directors of the Company has unanimously approved on its meeting held today the following resolutions:

- 1) Redeem the Convertible Notes 2024 whose conversion has been requested during the First Ordinary Conversion Period CN 2024 (the “**Convertible Notes 2024 to be Redeemed**”). Fractions of shares will not be settled in cash to the holders of the Convertible Notes 2024 to be Redeemed since, as the conversion price was set at EUR 0.37 on May 10, 2024, the conversion ratio gives, in all cases, a whole number of new shares.
- 2) Partially execute the capital increase approved by the Company’s Board of Directors on its meeting held on March 12, 2024 within the framework of the Issuance of Convertible Notes Due 2029, setting the share capital at the amount resulting from adding to the current share capital of PRISA (which is EUR 102,871,319.30, after the capital increase also agreed today by the Board of Directors by conversion of certain convertible notes issued in February 2023 (ISIN code: ES0371743016), and which has been communicated by means of a communication of “other relevant information” immediately prior to this one) the necessary amount to attend the conversion, at the fixed conversion price in force on May 10, 2024 (EUR 0.37), of the Convertible Notes 2024 to be Redeemed.

For this purpose, it has been resolved to increase the share capital by a total nominal amount of EUR 5,765,400 (the “**Capital Increase by Conversion of the CN 2024**”), by issuing and placing into circulation 57,654,000 new shares, each with a par value of EUR 0.10, of the same class and series as the shares of PRISA currently outstanding (the “**New Shares**”).

The issue price of the New Shares is EUR 0.37 per share (EUR 0.10 of par value plus EUR 0.27 of share premium). Therefore, the total share premium amounts to EUR 15,566,580 and the effective amount (par value plus share premium) of the Capital Increase by Conversion of the CN 2024 amounts to EUR 21,331,980.

The New Shares will be fully subscribed and paid up, and the share premium satisfied, by the holders of the Convertible Notes 2024 to be Redeemed by their conversion and redemption.

The New Shares will be ordinary shares equal to those currently outstanding, and will confer to their holders, as from the date of their registration within the accounting records of the Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. (“**Iberclear**”), the same economic and voting rights as the Company’s shares currently outstanding.

The New Shares will be represented by book-entries, which will be maintained by Iberclear and the entities participating in Iberclear.

As a result of the Capital Increase by Conversion of the CN 2024, the share capital of PRISA will be set at EUR 108,636,719.30 and will be represented by 1,086,367,193 ordinary shares with a par value of EUR 0.10.
