REPORT ON INDEPENDENCE OF EXTERNAL AUDITORS

2024

PROMOTORA DE INFORMACIONES, S.A. ("PRISA"), in compliance with Article 529 quaterdecies, paragraph 4.f), of the Corporations Law (Ley de Sociedades de Capital), issues this Report on the independence of the external auditor, KPMG Auditores, S.L. S.L ("KPMG"), and states the follow:

- By resolution of the Annual General Meeting of Shareholders of PRISA held on June 26, 2024, KPMG was engaged to conduct the audit of the 2024 financial statements of PRISA and its consolidated group ("Grupo PRISA").
- During 2024 the Audit, Risks and Compliance Committee ("Audit Committee") met periodically with the external auditor to analyze the results of its review of the financial statements and, if applicable, to assess situations that could have entailed risk for its independence.
- The Audit Committee has a prior authorization procedure for non-audit services to be performed by the external auditor for any Grupo PRISA company. The procedure that has been in force during fiscal year 2024 was approved by the Audit Committee in January 2024.

According to that procedure, at each meeting the Audit Committee reviews and approves the proposals for non-audit services to be provided by KPMG and/or its related companies to Grupo PRISA companies.

Fiscal year 2024 has been KPMG's first year as auditor of the financial statements of Grupo PRISA. In July 2024, KPMG sent the Audit Committee a certification detailing all the services contracted with Grupo PRISA during said year, up to the moment of its appointment as auditor (which took place on June 26, 2024), confirming that none of the services incurred any incompatibility in terms of independence.

Since its appointment as auditor of Grupo PRISA, and for each of the service proposals and prior to its contracting, KPMG submits to the Audit Committee, in accordance with article 81 of the Audit Regulations (RD 2/2021, of January 12), a detailed report which includes information regarding the nature of the service, its remuneration, the evaluation of the impact on its independence as an auditor and measures that reduce or mitigate threats to its independence.

- The fees for the audit services in respect of the 2024 financial statements performed for the various PRISA companies by KPMG and/or its related companies amounted to 1,581 thousand euros.

The fees for non-audit services provided to Grupo PRISA companies by KPMG and/or its related companies in 2024, were as follows:

	Euros 000s
Other verification services	263
Tax advisory services	1
Total other professional services	264

- For the purposes of Article 529 quaterdecies, paragraph 4.e), at the date hereof and prior to the issuance of this Report, the Audit Committee has received a report from KPMG confirming its independence in relation to PRISA and Grupo PRISA companies, as well as an itemisation of the additional services provided to said entities by EY and/or by its related companies during 2024.

As a result of all of the above, and having assessed said services provided by KPMG and/or by its related companies, individually and in aggregate, and considering that said services comply with the independence requirements set out in the Law on Accounts Auditing (Ley de Auditoría de Cuentas), the Audit Committee understands that there are no objective reasons to question the independence of KPMG and hereby issues this favourable report regarding the independence of the external auditor.
